## Electrical Engineering Intern (WIL) Placement - 2023

We are looking for a dynamic candidate to fill the Intern vacancy available at Permoseal (Pty) Ltd in Montague Gardens, Western Cape.  
This vacancy is for undergraduate students only - Those who are studying toward the National Diploma in Electrical Engineering (at a University of Technology) and who need work-placement in order to graduate are eligible to apply.

**The placement period:** January to December 2023

**Your application should include;**

- A cover letter motivating your application,
- Comprehensive CV to include a photograph of yourself,
- School leaving certificate,
- Most recent full academic results, and
- University of Technology eligibility letter (do not apply if you do not have this letter).

**Salary:**

Will be discussed at the interview.

**Closing date:**

Submissions accepted until 10 November 2022.

If you did not receive a reply by 30 December, please consider your application as unsuccessful.

For more information about Permoseal please visit our websites:

<https://www.alcolin.com> Or <https://bostik.co.za> Or <https://www.arkema.com>

Please note that Permoseal is currently under new ownership and will soon trade under the name: Bostik South Africa, which is a subsidiary company of ARKEMA, a world leader in speciality materials.

Permoseal (Pty) Ltd respects your privacy and is committed to protecting personal information supplied to us. Your email to us and any attachments will be treated as confidential, legally privileged, and subject to our disclaimer. Our privacy policy and disclaimer can be viewed on our websites.

**Please send your application to:**
